Case No. PU-I 4-842

**PETITION TO INTERVENE OF
PAULA JO A. WANNER
AND ADAM J. WANNER**

Pursuant to N.D.A.C. § 69-02-02-05, Paula Jo A. and Adam J. Wanner, by and through their attorneys Derrick Braaten and Matt Kelly (collectively, “Petitioners”), hereby petition to intervene in the above-captioned proceedings. In support of this petition, Petitioners state and allege as follows:

1. The Wanners reside at 5820 County Road 82, St. Anthony, ND 58566. The Wanners received documents from Dakota Access, LLC and offers for an easement over their land for the Dakota Access Pipeline Project, and have also received repeated requests for survey permission on his property.
2. The Wanners property will be crossed by the Dakota Access Pipeline Project, and they are concerned about impacts to their land. The Wanners have not yet been able to reach an agreement with Dakota Access regarding an easement on their property, and feel it is necessary to protect their interests by ensuring that they are represented in these

proceedings.

3. Petitioners have a direct and substantial interest in these proceedings, as well as legal property rights which may be substantially affected by the ND Public Service Commission's findings and conclusions in this matter. Petitioners are intimately familiar with the land they own and rent, and can provide the PSC with specific information related to its routing determination in this proceeding, with respect to their individual lands.
4. Petitioners are not adequately represented by existing parties, and Petitioners' intervention would not unduly broaden the issues or delay the proceedings, particularly given the early nature of the proceedings.
5. Petitioners are not necessarily in support of or opposed to the relief sought by the applicant in this proceeding, but intend to oppose such relief if it allows Dakota Access to cross the lands they own and rent in a manner that will cause unnecessary or unreasonable damage to the land and to their farming operations.

Dated this 14th day of May, 2015.
